TEST YOUR AFL AND NRL TRIVIA THROUGH NEW GAMESWORLD ACTION ON FOXTEL

April 7, 2008

Fancy yourself a footy trivia buff? With the winter sports season now in full swing, FOXTEL is challenging sports fans to test their knowledge of the Australian Football League (AFL) and National Rugby League (NRL) with the launch of two exciting new interactive brainteaser trivia quizzes on the FOXTEL GAMESWORLD service.

The AFL Daily Trivia and NRL Daily Trivia games will provide subscribers with 20 questions – which will be updated daily – to challenge their knowledge and see how much they know about AFL or NRL.

The questions will test expertise of recent and historic events, players, coaches and memorable moments from both codes.

The AFL Daily Trivia and NRL Daily Trivia games complement the extensive live and replay coverage of AFL and NRL which is available to FOXTEL subscribers through FOX SPORTS, and are also being launched as both codes celebrate significant milestones in 2008 – the 150 anniversary of Australian football and the centenary of rugby league.

FOXTEL subscribers can simply use their remote controls to play both the AFL Daily Trivia and NRL Daily Trivia games, which form part of the Brainteaser Trivia section in the GAMESWORLD portal available through Channel 555.

“FOXTEL has long been a sports supporter and broadcaster with our subscribers enjoying comprehensive football coverage of AFL and NRL via FOX SPORTS,” said Patrick Delany, FOXTEL Executive Director of Content, Product Development and Delivery.

“Offering an interactive games service for two of Australia’s most popular football codes is a bonus for our subscribers as GAMESWORLD lets them get more out of their FOXTEL. By adding these new categories relevant to individual viewers, FOXTEL is creating a personalised interactive service that can be expanded in the future with more sports and other genres.”

GAMESWORLD offers subscribers a suite of interactive games that are entertaining for the whole family across three genres, Kids Family, Brainteaser Trivia and Casino

Sport. For \$6.95 per month, subscribers can have unlimited access to games any of the genres, or can choose to have access to all categories for \$16.95 per month. The GAMESWORLD service also allows FOXTEL subscribers to “Single Play” all games for \$1 from any of the three genres Kids Family, Brainteaser Trivia and Casino Sport.

Subscribers can access GAMESWORLD by selecting the “Active” button on the FOXTEL remote or by going direct to Channel 555. With Single Play purchase, subscribers need a fixed home phone line with 1900 capacity, connected to their FOXTEL set top box unit. All GAMESWORLD games are played using the FOXTEL remote.

FOXTEL partnered with the Australian organisation TwoWayTV for its Brainteaser Trivia games including the new AFL and NRL games.
